

Crossville Greenway

Habitat Trail

The trails depicted in this map are concepts developed by the Friends of the Trails. They have no official standing.

Key

- Habitat Trail
- Town Branch Spur Trail

Distances

- Main Trail + Spur = 2.1 miles in & out
- Main Trail alone = 1.7 miles in & out

P Trail-head Parking lot on Deerfield Road

The primary access point for this trail is from Deerfield Road. We plan to have additional access points in the future but they will depend on getting permission from other property owners.
