

Cumberland County Hiking Marathon 10K Challenge Trail Descriptions

Welcome to the 2026 Cumberland County Hiking Marathon 10K Challenge. These paved trails are for those who prefer the less strenuous walking on paved trails and sidewalks. As you hike these 10K Challenge trails we hope they take you places that you would not normally go and that you have positive experiences along the way.

We hope you enjoy hiking these trails, carry plenty of water at all times and watch your step – it is easy to twist an ankle on rocks and steps. Pets are permitted on all trails but please pick up after your dog if it fouls the trail-bed.

You can use a printed logsheet to record progress but please log your completed trails online so that we have an accurate picture of everyone's accomplishments with reduced work for our volunteers.
